

// HOW IT WORKS

1

 Write a **help request** on a sticky

2

Post it in the matching area

3

 Can you help? **Talk to the author**

HELP FOR THE INITIATIVE

What do you need to move the framework forward?

"I need help with ..." the framework, the data, the literature, the workshop, the next steps.

POST YOUR STICKIES HERE

HELP FOR YOUR OWN ORGANIZATION

Where do you need help with you want to try back at work?

"I want to try ... and need help with ..." an action, a pilot, a policy, a conversation with your team.

POST YOUR STICKIES HERE

// KEEP HELPING EACH OTHER AFTER TODAY

Collaborate asynchronously on GitHub

Start a Discussion

Ask a question, share an idea or an experience, or ask the group for help.

github.com/LucidInstitute/Reflexive-AI-Initiative/discussions

Raise an Issue

Suggest a concrete change, report a problem, or propose a task for the framework.

github.com/LucidInstitute/Reflexive-AI-Initiative/issues

You need a free GitHub account to post. **Never share sensitive or personal data**, on stickies or on GitHub.
